

## MINORITY WILL MAKE REPORT

# CONTEND. REBUKE OF PRESIDENT UNCALLED FOR.

### Two Reports to Be Placed Before Senate Committee on Judiciary on Absorption of Tennessee Coal and Iron Company.

Washington, Feb. 25.—Two reports will be before the senate committee on judiciary Monday when it meets to vote on investigation of absorption of the Tennessee Coal and Iron company by the United States Steel corporation.

finding the merger was a violation of the Sherman anti-trust law and administering a severe rebuke to the steel industry. Clark of Birmingham, Ala., who was in the rooming and Birmingham, Ala., who had put their dissent in the form of a report. It will be asserted by the president that the direction of the judiciary committee is not a resolution to opinion as to the president's authority "to permit absorption of the steel industry." It was shown by his message that the president had three things disclosed by the president's message that are important and relevant. They are, that the steel corporation he could not advise them to take the action proposed that he felt it no public duty of him to take any action under these facts and circumstances under the law; and that the president assumed

That the president acted under facts as he understood them is not the opinion of the committee, and it is declared. His action may be considered as having been taken under facts and information he then had as stated in the resolution directing the inquiry to be made. It is declared any other construction of the resolution would be tantamount to saying that the committee judge the president's action not in the light of circumstances and facts surrounding him at the time of his action, but of those subsequently developed. In their opinion this would manifestly be unfair and unjust.

**"BILLY" SUNDAY EXCURSION**  
Are you going to Springfield of the excursion? Have you purchased your ticket? If you wait until the last day you may not get a seat and then don't blame the committee. They are going to order coaches Saturday night, according to number of tickets sold.

Springfield invites us, Mr. Sunday says, "Hurrah! for Jacksonville will be glad to see him." The Jeffries band is going. The tabernacle choir is going in a body and will sing. Everybody come. Round trip tickets \$1. Be home by 11 o'clock. Get your tickets early.

**DELIGHTFUL COMPANY IN  
HONOR OF MISS LAZENBY**  
Miss Cora Megginson and Miss  
Bessie Middleton were hostesses  
Thursday afternoon at the delight-  
ful country home of P. D. Meggin-  
son, west of Jacksonville, at an ante-  
nuptial function given in honor of  
Miss Jennie Lazenby who is soon to  
become the bride of Mr. Charles C.

berl. It was a linen shower and the guest of honor was the recipient of many very handsome gifts from those present. The Megginson home was very prettily decorated for this event and carnations and ferns lent their charms in the parlors, while hyacinths and ferns were used in the dining room.

The afternoon was spent in making a friendship cushion and composition of poetry. An elegant supper served in courses was keenly enjoyed by the guests and the company was one of rare pleasure.

### MAKING RAPID PROGRESS.

Evidences of the recent destruction by fire on West State street are fast disappearing. The new building has taken the contract and yesterday had a force of over thirty men at work on the burned structure. The roof is now over the buildings and the addition of several sky lights will be made. The work is making quite a decided change from the former construction. The rapidity with which the job has been pushed has attracted considerable attention. There will be an iron fire door between the Ricks building and Chambers property at the head of the stairway that formerly led up to Odeon hall.

**HELD PUBLIC SALE.**  
A public sale was held at the residence of Samuel Butler Wednesday at which a fair crowd was present and the bidding was spirited. The following are some of the prices obtained. Horses from \$100 to \$225 each; one team brought \$400; a team of 2-year-old colts brought \$345; cows from \$30 to \$50; sheep from \$5.50 to \$8.50 a head; and some of the other articles including a mule brought \$153. Jerry Cox and Son were the auctioneers, and Charles Collins was the clerk.

**REMEMBERED ON BIRTHDAY.**  
Miss Irene Oxley was pleasantly surprised by a number of her friends last night at her home, 210 North Prairie street, the occasion being her 16th birthday. The evening was spent in playing games and all reported a fine time. Mrs. C. H. Richardson was hostess.

### SEWED RAGS.

The ladies of Shiloh church completely surprised Mrs. James Barber Thursday. The morning was spent in sewing enough rags to make a carpet and at noon a delightful dinner was served. Music was furnished by Mr. Hall of Arcadia. The success of the surprise is due to Miss Georgia Govefa who planned it.

## THE SAD STORY OF A SUIT-CASE

Mr. and Mrs. T. W. Beadle Have Returned From Honeymoon Trip—Relieved of Part of Their Baggage.

Mr. and Mrs. T. W. Beadle, who were married at South Bend, Ind., recently, arrived in Jacksonville Thursday evening on the Wabash, from Chicago. Although their coming had been unheralded, a party of twelve or more of Mr. Beadle's associates in the offices of the Illinois Steel Bridge Co., and in the Baptist church, gathered at the station and extended a royal welcome. The bride and groom were showered with rice and their grips were plastered with appropriate mottoes. It is worth mentioning that no stickers were put on Mr. Beadle's suit case and for the very good reason that it could not be found. It developed that this popular young benedict was permanently separated from the suit case at Springfield. Just as the train was pulling into the station there, a colored man jumped on the platform of the rear car, opened the door, seized the suit case nearest at hand and was off like a flash. Mr. Beadle was still paying enough attention to earthly things to realize that he was ruthlessly and feloniously being robbed, and that in broad day light in the capital of the state, he immediately gave chase and followed the fleeing felon with all possible speed. But the race was not a fair one as the pursued had much the start of the pursuer and was soon sheltered in the devious ways of a neighboring lumber yard. The time for the chase was limited and Mr. Beadle had to give up or miss his train and he chose to make the train and count the suit case and its contents as gone and forgotten. Anyhow it was an unpleasant happening but it was not nearly so bad as if the suit case had been stolen when Mr. Beadle was journeying to South Bend, instead of returning from his wedding trip.

Ferreira.

The funeral services of Mrs. Mary Ferreira (Smith) were conducted Thursday afternoon at 2:30 o'clock, in charge of Rev. A. B. Morey, of State Street Presbyterian church, from the residence of her daughter, Mrs. Mary B. Vasconcellos, 940 N. Prairie street. The music was furnished by Mrs. Scott, Mrs. DeFretas, Walter Vieira and John Vasconcellos. The flowers were in charge of friends and among the designs was a pillow with the word "Mother" thereon.

The remains were laid to rest in Jacksonville cemetery and the bearers were Joaquin Martin, Antonio Vieira, Joseph Selby, Emmanuel Gonsalves, J. DeSilva and Joseph Smith.

### A LINCOLN PHOTOGRAPH.

Edward G. Saye of the Courier has recently come into possession of a very valuable picture of Lincoln. Years ago Mr. Saye's father-in-law John C. Andras, accompanied by his father, called on Mr. Lincoln in Springfield. During the course of this friendly visit the elder Andras asked Mr. Lincoln for a picture, which was given. Not long afterward when Lincoln became president Mr. Andras had the picture framed and it eventually became the property of John C. Andras. For years the picture has been hanging in a dark corner of the attic at the Andras home in Manchester, but during the recent Lincoln "revival," it came to light and Mr. Saye "acquired" the picture. It is one of the best of the Lincoln likenesses and with its solid old walnut frame carved in a style suggestive of the long ago constitutes a relic which Mr. Saye prizes highly with reason.

Dr. Dechon's relief for rheumatism and neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents and \$1. Sold by Lee P. Alcott, druggist.

## Y. W. C. NOTES.

### Shall We Have a Shoppers' Rest Room?

The Young Woman's club room was opened last Saturday to its many friends in the city and their words of commendation and encouragement were gratefully received. Again and again the desire for the shoppers' rest room was expressed. On the coming Saturday afternoon, Feb. 27, the room will be opened to all shoppers and an opportunity will be given to all to express themselves in regard to their rest room proposition. We urge that all merchants call the attention of their customers to this and that every woman call at the club (No. 4 Hinton building) and freely discuss the matter with those in charge. Before taking any further steps we wish to know the attitude of those women who would have need of such a room.

## GIVEN PLEASANT SURPRISE.

Friends Gather at Richardson Home on North Prairie Street.

About 7:30 Saturday evening a pleasant surprise awaited upon the Richardson home, 210 North Prairie street, which proved to be a grand success. The crowd quietly gathered in the front hall and awaited the return of the fortunate one who had gone up town shopping. On his return to the house the hall door was opened when all pushed forward and received a warm and hearty welcome.

Miss McPhail, acting as hostess and Mr. Jackson as host, had the program arranged in a successful manner. There was a number of instrumental solos, a coronet duet, which was followed by a number of popular songs, sang with much enthusiasm. They next arranged for the guessing of the various advertisements in the different parts of the room. Irene Oxley won the prize for guessing the most advertisements and William Richardson the bobby prize. Progressive dominoes was the dominating game for the rest of the evening. Hugh Huddleston received the prize as best domino player and Miss Myrtelle Sheppard the bobby prize. After the presentation of the prizes a conundrum scheme was planned by which the boys and girls matched conundrums. The couples were grouped and while Miss Sada Richardson played the march they all marched to the dining room, after light refreshments were served, all departed, wishing many more happy returns of the day.

Among the out of town guests were Miss Stewart of Franklin, Mr. Ham of Winchester, Miss McPhail of Mt. Sterling, Miss Irene Oxley of Franklin, Anna Colwell of Alexander, Miss Sykes of Bayliss, Mr. Huddleston and sister of Farmersville, Miss Huddleston, remaining over Sunday. Mr. Clark and sister from southeast of town, Mr. Robert Richardson, brothers and sisters from Ashbury.

Mr. William Richardson visited a few days of last week with his brother on North Prairie street.

**ILLINOIS COLLEGE NOTES.**

Rev. Beveridge Lee, a member of the Presbyterian assembly board of Christian colleges, spent yesterday at Illinois college and at the chapel hour made an excellent address to the students. The speaker dwelt upon the evils existing among college men and referred especially to greed, neglect of duty and the slightest of religious thought. He urged the students to realize that they were born not only to get much out of life, but also to put much into life. He closed his remarks by impressing upon his hearers the fact that a man may develop his body and his mind and not develop his personality. These thoughts were presented in a convincing and forceful manner and the address was helpful and inspiring.

The basket ball team is in readiness for the game with Lincoln tonight. The game will be held in the college gymnasium at 7:30 and is sure to be an interesting contest.

## SPECIAL SESSION OF CITY COUNCIL

Bids for Water Main Were Opened  
—Jacksonville Plumbing Company  
Were Lowest—Committee Named  
to Investigate Jacksonville Reduction  
Company's Plant.

The city council held a special session Thursday evening at which bids for the purchase of water pipe were opened. There were six bidders and the bid of the Jacksonville Plumbing Co., was the lowest. The council authorized the purchase, after much discussion, of water main for East Lafayette avenue, Franklin street, East College avenue, and Caldwell street. The council did not authorize the acceptance of any bid and the matter will therefore have to come up at a subsequent meeting. A committee was appointed to investigate the plans of the Jacksonville Reduction company, relative to operating a rendering works.

The city council met in special session Thursday evening, Feb. 18, with all members present. Mayor Babin in the chair. The clerk read the call signed by Ald. Longman, Wells and Merrigan, which provided for the opening of bids for water pipe. Ald. McGinnis, seconded by Ald. Kendrick, moved to include in the call "and taking action relative to the rendering works of Jacob Cohen." This was agreed to.

Ald. Moore moved that the vote be taken on each street separately. Ald. Merrigan seconded.

Ald. Moore moved that they vote on Franklin street first.

Ald. McGinnis wanted the vote taken on East Lafayette avenue first, for the reason that the other wards had received recognition of this time.

Ald. Hall moved vote be taken first E. Lafayette, Franklin street, E. College avenue and Caldwell street. Ald. Goveia seconded.

Ald. Longman arose to serve notice on the council that if the members wanted to turn down this water proposition there would come a time before long when they would want to spend \$12,000 or more for street pavement and the members would see how that proposition would fare.

The mayor stated that he would put the motion of Alderman Hall relative to four streets. The motion was carried to 9 to 1. Ald. Breckon voting no.

The bids were opened in the presence of the members of the council and the bid of the Jacksonville Plumbing Co., was the lowest. The bids were as follows: Six inch water main, \$25.75 per ton; fittings, 2 1/2 c per lb; pig lead, \$1.80 per 100 weight.

Elmer E. Beasly—Six inch pipe, \$25.98 per ton; fittings, 2 1/2 c per lb; pig lead, \$4.10 per 100 weight.

Barker Iron company—8,000 feet 6 inch pipe, \$26.50 per ton; 7,000 lbs. pig lead, 4 1/2 c; all special castings, \$52.

Landers, Keefe & Co.—6,000 feet of 6 inch pipe, \$26.20 per ton; fittings, \$2.90 per 100 weight; split tees, \$3.90 per 100 weight; 7,000 lbs. pig lead, \$4.50 per 100 weight.

Crane & Company—8,000 feet 6 inch pipe, \$26.10 per ton; fittings, 3 c per lb; 7,000 lbs pig lead, \$4.36.

Bernard Gause—Six inch pipe, \$26 per ton; special, 2 1/2 c pig lead, \$4.55.

Ald. McGinnis called the attention of the council to the fact that Jacob Cohen had advertised for dead animals for his reduction works, which were located inside of the city limits in the first ward, contrary to the instructions of the council. He wanted the matter looked into at once.

Ald. Kendrick agreed with Ald. McGinnis and stated that notice had been served on Mr. Cohen that he was not to build a rendering works and that he had gone ahead and simply laughed at the notice. He

moved that Messrs Barnes and Belatti be employed to assist the city attorney in getting out an injunction. Ald. McGinnis seconded the motion.

Ald. Moore was of the opinion that the council would have to wait until Mr. Cohen had proceeded to use the place as a rendering works.

Ald. McGinnis and Ald. Kendrick thought that the advertisement in the paper was sufficient notice of what the intention of Mr. Cohen was.

Ald. Hall agreed with Ald. Moore. He was of the opinion that no nuisance had been committed as yet and that until the party found guilty of a nuisance no action could be taken.

Ald. McGinnis wanted to stop the nuisance before it started.

The mayor: "I think that Ald. Hall is right. You can't accomplish anything toward preventing action until the works begin operation."

Ald. Longman thought that Mr. Cohen had put up the works and expects to fight the matter in the courts. He moved that a committee of three consisting of the aldermen of the first ward be appointed to investigate the matter and report.

Ald. Hall stated that he would second the motion if the aldermen would aid the mayor and the health board. Ald. Longman agreed to this amendment. The motion carried as amended.

The council then adjourned.

After adjournment there was considerable discussion as to what action the superintendent, Mr. Osborne, should take relative to the purchase of the water pipe. It was agreed that the council had voted to purchase the pipe but no motion had been made as to accepting the lowest bid, and announcing the water superintendent to proceed to purchase the pipe from the lowest bidder.

Mr. G. A. Brown, of the Jacksonville Plumbing Co., and Mr. McPartland of Chicago, representative of the J. B. Clow & Co., engaged in conversation with the mayor and several of the aldermen and the water superintendent. It was the opinion of the mayor expressed only in conversation that while it had been voted to purchase the water pipe no express bid had been accepted. The water superintendent felt that if any purchase was made, to be legal, it must be from the lowest bidder. The mayor and members of the council finally separated with no further understanding than that the council had voted to purchase the water pipe for the four streets as named in the motion of Ald. Hall. The matter will undoubtedly come up at the next meeting of the council relative to instructing the water superintendent to purchase from the lowest bidder.

Mr. G. A. Brown, of the Jacksonville Plumbing Co., and Mr. McPartland of Chicago, representative of the J. B. Clow & Co., engaged in conversation with the mayor and several of the aldermen and the water superintendent. It was the opinion of the mayor expressed only in conversation that while it had been voted to purchase the water pipe no express bid had been accepted. The water superintendent felt that if any purchase was made, to be legal, it must be from the lowest bidder. The mayor and members of the council finally separated with no further understanding than that the council had voted to purchase the water pipe for the four streets as named in the motion of Ald. Hall. The matter will undoubtedly come up at the next meeting of the council relative to instructing the water superintendent to purchase from the lowest bidder.

### THE CORN EXHIBIT

Close of the Work of the Expert, G. L. Turner, in This City.

G. L. Turner, the corn expert, has closed his work here and the result of the prizes is standing of the first thirteen exhibitors is given below. Too much cannot be said in favor of improved methods in farming and nothing is of more importance than the corn crop and anything which will add to its value in any way is to be commended. It is claimed that Prof. Holden increased the corn crop of Iowa ten million bushels in one year by his intelligent instructions on seed corn and the same should be done in this state if all were willing to learn. Mr. Turner has been endorsed by competent corn experts and his addresses and practical work in corn judging for seed purposes have been very instructive. Next year he proposes to come back and conduct a corn show and at that time fifty dollars in gold will be offered for the ten ears that come up to 87 in scoring without shelling qualities of 98 with. Other prizes will also be offered so that the inducements for good exhibits will be large. Below are given the prizes as they were awarded here:

- First—E. A. Ranson.
- Second—Harry McGhee.
- Third—James Smith.
- Fourth—Henry Smith.
- Fifth—M. Harney.
- Sixth—John Vasey.
- Seventh—John Vasey.
- Eighth—E. O. Towne.
- Ninth—Thomas Allen.
- Tenth—R. E. Crabtree.
- Eleventh—C. F. German.
- Twelfth—William German.
- Thirteenth—H. L. Rice.

### POLITICS AND POLITICIANS.

Two of the new United States senators eligible to membership in the "millionaires' club" are Charles J. Hughes, Jr., of Colorado and Carroll S. Page of Vermont.

The most important senate committee during the extra session of congress will be that on finance, which will be charged with the work of considering the tariff bill when it comes from the house of representatives.

It is the general understanding in Washington that Mr. Taft wishes to fill the treasury portfolio either from Illinois or Ohio. Should the appointment go to the president-elect's own state, it is the belief that the honor will fall to Myron T. Herrick.

It now appears probable that the Republican candidate for governor of Virginia next year will be A. P. Gillespie of Tazewell county. Mr. Gillespie is a lawyer, and was a member of the Virginia constitutional convention.

Elihu Root is the only new senator who will receive important committee appointments in the sixty-first congress. Having been at the head of the war and state departments he will be placed on both the Military Affairs and the Foreign Relations committees.

Judges, lawyers and those interested in political affairs have taken more than usual interest in the proposition to advance the pay of United States circuit and district judges. All agree that the salary of these United States judges should be advanced, but considerable difficulty is to be experienced, it is said, in arriving at a just solution of the problem.

Larz Anderson, who is spoken of as the most likely successor of Lloyd Griscom as ambassador to Italy, is a millionaire resident of Brookline, Mass., with a winter home in Washington. He is not without diplomatic experience, having served for seven years as secretary of legation and embassy at London and Rome. Mr. Anderson and Mr. Taft's families have been intimate for generations and are connected by marriage.

The vacancy in the senate committee on appropriations caused by the death of Senator Allison of Iowa will be filled by Senator Hale of Maine, whose retirement as chairman of the committee on naval affairs will cause the promotion of Senator Perkins of California to that place. The retirement of Senator Hemenway of Indiana and Senator Teller of Colorado will make vacancies on the committee on appropriations. Mr. Wetmore of Rhode Island is a candidate to succeed Mr. Hemenway, but probably a western senator will be chosen. Either Mr. Simmons of North Carolina or Mr. McLaurin of Mississippi is likely to succeed Mr. Teller on the appropriations committee.

### FIRE

### INSURANCE

No matter how efficient the fire department, no matter how careful you may be to avoid fire danger, you still ought not neglect the matter of insurance. Business men and concerns usually do not, though frequently a fire catches them only half insured.

But all too often the home and contents are unprotected. The very bed on which you sleep, the food in your pantry and coal in your cellar, cost you money and ought to be insured. And insurance is so cheap—\$0c for \$100, \$5 for \$1,000, for three years.

We represent ten of the best insurance companies on earth. The paper on which this ad is printed, and the press that does the printing, are covered by one of our policies. May we not write one for you? Call or phone.

**NOT MAN WANTED**

Ira Reid, Who Was Arrested on Suspicion for Crime in Bond County and Brought to this City, Was Turned Loose.

On information from Constable Holliday of Concord, Sheriff Graff sent Deputy George Stice to that place yesterday to put under arrest a young man, who gave him name as Ira Reid. It seems that some time ago a man by the name of Ruben File had been killed in Bond county and a reward of \$200 had been offered for the arrest and conviction of one, George Willeford, who was charged with the killing. Constable Holliday had seen a description of the man wanted and thought that Reid filled the bill. Reid was brought to this city and answered to most of the descriptions given, but in no wise looked like the photograph. Sheriff Graff communicated with a man by the name of Watson, employed at the insane, who formerly resided in the neighborhood where Reid came from, and gave a full description of Reid, stating that he had a scar on one eye, where a man had accidentally struck him with a pick in a mine. While the description given, in some respects on the notice sent out, corresponded with those of Reid, yet it was not complete enough for Sheriff Graff to hold him and he was released at 5 o'clock.

Reid was working for Bert Long residing one mile north of Markham. He claims his home is in Williamson county.

**WILL FARM IN DAKOTA.**  
 Henry Osborne, formerly of Nortonville, was in the city yesterday. Mr. Osborne has purchased a farm of 940 acres in Larimore, N. D., where he will engage in his chosen occupation.

**IN SOCIETY**

Social events of an informal character have been the rule this week and before the week closes one or two more social functions will be given. Wednesday morning Mrs. T. B. Orear entertained at her home on Mound avenue in honor of Mrs. D. W. Ridder of Kansas City, the guests being limited to the intimate friends of Mrs. Ridder.

Wednesday afternoon Mrs. William Barr Brown was hostess at a bridge whist party given in honor of Mrs. James N. Brown. There were four tables and the occasion was a very pleasant one.

Mrs. Sol Hoffman was hostess Thursday noon at a bridge luncheon given in the ordinary at the Danlap hotel in honor of Mrs. James N. Brown. The guests were invited for 12:30 o'clock. Spring flowers were used in the table decorations, which were very pretty and after the serving of an elegant menu bridge whist was enjoyed in the apartments of Mrs. Hoffman. The honors of the afternoon were won by Mrs. J. W. Hargrove and there was a guest's prize for Mrs. Brown. Out of town guests present were Mrs. D. W. Ridder of Kansas City and Mrs. Frank R. Elliott of Chicago.

Mr. and Mrs. Thomas Worthington were host and hostess Thursday evening when the boys of Whipple Academy were their guests. The entertainment features were talks given by Prof. Ames upon Oxford University, and Mr. L. O. Vaughn upon the Lake McDonald region in Montana, both of which were illustrated with a number of very fine stereopticon views. After the talks had been given, which were keenly enjoyed, delicious refreshments were served, after which college songs were sung for an hour or more. The fortunate guests feel grateful to Mr. and Mrs. Worthington for their kindness and the evening was a social event that will not soon be forgotten.

**GOVERNOR HOCH COMING.**

Will Speak at the Grand Opera House March 15.

Ex-Governor Hoch, the man who has the distinction of having been twice nominated by acclamation for the governorship of Kansas, will appear here on the Y. M. C. A. course March 15. Holders of course tickets are exceedingly fortunate, as they will hear him at a cost of mere nothing. As one of the most noted men in the United States, he should draw a crowd that will overflow the opera house, for it is a rare opportunity to hear a man who not only has accomplished big things, but is also an unusually interesting speaker. It is safe to say that no one will be disappointed in their expectations of hearing something worth while.

While governor he succeeded in putting through some of the greatest reforms the state of Kansas has ever had and indeed that has been equalled by few states in the union. He saved the consumers of coal oil a million dollars annually by the establishment of nineteen independent refineries. He brought about an entire change in the management of the state institutions. The enactment of a series of railroad laws, which are farther reaching and of greater number than any other state in the union. The anti-pass law, the drastic pure food law, the radical change in assessment and taxation laws, the judicial parole laws, the juvenile court law, the enforcement of prohibitory laws, which has made Kansas the freest state in the union from the liquor traffic, the two-cent fare law, state wide primary law, and many other reforms are the result of his sagacity and common sense methods. He bears the distinction of fulfilling every platform promise.

The plat for the sale of single admission tickets is now open at the Y. M. C. A. office and the opportunity to hear this noted man should produce the sale of every seat available.

Frank Proawski of Kansas City is visiting his sister, Mrs. George A. Moore of East State street and Mrs. C. H. Cowdin of Joy Prairie.

**HEARD IN CONCERT**

Mr. Charles Butler and Miss Edith Anderson Sing Before Large Audience at Central Christian Church Thursday Evening.

Central Christian church was filled Thursday night to hear Mr. Butler of the Sunday party and Miss Edith Anderson, in the concert which had been announced several weeks past. The concert was strictly informal, and the wishes of the audiences as to the selections given were granted in almost every instance. The concert was composed mostly of sacred songs, and it was a pleasure to hear the songs again that so thrilled the people who heard them at the Sunday revival meetings. Both singers were in good voice and Miss Mary Anderson in a very efficient manner acted as accompanist.

During the concert, Mr. Butler gave an account of the Sunday party after the meetings broke up in Spokane, and told what each one was doing and when they all intended to arrive in Springfield. Mr. Butler made mention of the death of Mr. Pledge and took occasion to tell of the great worth of the man whom everyone loved. He stated that it had been his intention to join Mr. Pledge the coming fall, and assist him in the work. He said that the west was much taken with Mr. Sunday and that most of the place along the coast had asked for dates and that Los Angeles had hopes of getting the evangelist next autumn, but that Sunday had too many engagements ahead to reach the coast for a long time. The following was the program:

Shadows—Butler and Anderson.  
 The Holy City—Miss Anderson.  
 Sparrow Song—Mr. Butler.  
 Memories of Mother—Butler and Anderson.

(a) First Love, (b) Lullaby—Miss Anderson.  
 He Lifted Me With Variations—Mr. Butler.

My Rosary—Mr. Butler.  
 Calvary—Mr. Butler.  
 Somebody Came and Lifted Me; Who Could It Be?—Butler and Anderson.

Pilot song, Is He Yours?—Mr. Butler.  
 Rose of My Heart—Butler and Anderson.

**Wiley.**

The funeral services of Dee Wiley took place Thursday afternoon at 3 o'clock from the Methodist church at Franklin, the pastor, Rev. A. H. Flagg, officiating. The remains were brought from Berlin over the Wabash and arrived here Thursday morning and were taken via the Burlington to Franklin. There was a large assemblage of relatives and friends, many from Jacksonville being in attendance.

The church could scarcely hold the people and the services were impressive. Music was furnished by the church choir, and the many beautiful flowers were in charge of Misses Rachel Hall, Elizabeth Snyder, Abbie Palmer, Maude Moats.

The remains were laid to rest in Franklin cemetery and the bearers were Paul Scott, Leonard Young, William Caldwell, John Caldwell, John Strawn and Wilbur Moats.
